

SUPPLEMENTARY MATERIAL

Data-base searches

PubMed used the two concepts

- “Depressive Disorder, Treatment-Resistant”[Mesh] OR “Depressive disorder”(Mesh) OR “Depressive Disorder, Major”[Mesh]
- “Psilocybin” (Mesh)

The search therefore was: (“Psilocybin”[Mesh]) AND (((“Depressive Disorder, Treatment-Resistant”[Mesh]) OR “Depressive Disorder”[Mesh]) OR “Depressive Disorder, Major”[Mesh])

Web of Science used:

- (Psilocybin)
- (“treatment-resistant depression” OR “depressive disorder”)

The search therefore was: (ALL=((Psilocybin))) AND ALL=(“treatment-resistant depression” OR “depressive disorder”)
