## FELINE MUSCULOSKELETAL PAIN INDEX

**Please take some time to complete the following questions.**

**Please mark the circle that best describes your cat’s ability to perform the following activities as compared to what you think a normal adult cat, without mobility impairment, would be able to do.**

<b>1. Walk and/or move easily?</b>					
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Normal	Not quite normal	Moderately worse than normal	Barely, or with great effort	Not at all	Not applicable

<b>2. Run?</b>					
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Normal	Not quite normal	Moderately worse than normal	Barely, or with great effort	Not at all	Not applicable

<b>3. Jump up (how well and how easily)?</b>					
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Normal	Not quite normal	Moderately worse than normal	Barely, or with great effort	Not at all	Not applicable

<b>4. Jump up to kitchen-counter height in one try?</b>					
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Normal	Not quite normal	Moderately worse than normal	Barely, or with great effort	Not at all	Not applicable

**Please rate your cat's ability to:**

<b>5. Jump down (how well and how easily)?</b>					
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Normal	Not quite normal	Moderately worse than normal	Barely, or with great effort	Not at all	Not applicable

<b>6. Climb up stairs or steps?</b>					
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Normal	Not quite normal	Moderately worse than normal	Barely, or with great effort	Not at all	Not applicable

<b>7. Go down stairs or steps?</b>					
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Normal	Not quite normal	Moderately worse than normal	Barely, or with great effort	Not at all	Not applicable

<b>8. Play with toys and/or chase objects?</b>					
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Normal	Not quite normal	Moderately worse than normal	Barely, or with great effort	Not at all	Not applicable

<b>9. Play and interact with other pets?</b>					
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Normal	Not quite normal	Moderately worse than normal	Barely, or with great effort	Not at all	Not applicable

**Please rate your cat's ability to:**

<b>10. Get up from a resting position?</b>					
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Normal	Not quite normal	Moderately worse than normal	Barely, or with great effort	Not at all	Not applicable

<b>11. Lie and/or sit down?</b>					
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Normal	Not quite normal	Moderately worse than normal	Barely, or with great effort	Not at all	Not applicable

<b>12. Stretch?</b>					
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Normal	Not quite normal	Moderately worse than normal	Barely, or with great effort	Not at all	Not applicable

<b>13. Groom himself or herself?</b>					
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Normal	Not quite normal	Moderately worse than normal	Barely, or with great effort	Not at all	Not applicable

<b>14. Interact with you and family members?</b>					
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Normal	Not quite normal	Moderately worse than normal	Barely, or with great effort	Not at all	Not applicable

**Please rate your cat's ability to:**

<b>15. Tolerate being touched and/or held?</b>					
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Normal	Not quite normal	Moderately worse than normal	Barely, or with great effort	Not at all	Not applicable

<b>16. Eat?</b>					
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Normal	Not quite normal	Moderately worse than normal	Barely, or with great effort	Not at all	Not applicable

<b>17. Use the litter box (get in and out, squat, cover waste?)</b>					
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Normal	Not quite normal	Moderately worse than normal	Barely, or with great effort	Not at all	Not applicable
