

Data Sharing Statement

Anand. Severe COVID-19 in Vaccinated Adults With Hematologic Cancers in the Veterans Health Administration. *JAMA Netw Open*. Published February 23, 2024.

doi:10.1001/jamanetworkopen.2024.0288

Data

Data available: No

Additional Information

Explanation for why data not available: Per VA policy, patient-level data cannot be shared except under very limited circumstances. This statement is included at the end of the manuscript, after the acknowledgments. A data dictionary is provided giving the definitions for the variables used in the study.
