

Data Sharing Statement

Gupta. Inappropriate Diagnosis of Pneumonia Among Hospitalized Adults in Michigan. *JAMA Intern Med*. Published March 25, 2024. doi:10.1001/jamainternmed.2024.0077

Data

Data available: No

Additional Information

Explanation for why data not available: As our initiative is a collaborative of hospitals in Michigan focusing on improving the quality of care for hospitalized patients, we utilized the existing infrastructure of the Michigan Hospital Medicine Safety (HMS) Consortium. The data use agreements among the participating hospitals prohibit us from sharing our registry data outside of the Coordinating Center, given hospital specific performance is directly identifiable.
