

Description of Additional Supplementary Files

File Name: Supplementary Data 1

Description: The Data of AP-MS and the SATB2-interacting Protein List

File Name: Supplementary Data 2

Description: Satb2 Knockout Signature Gene List

File Name: Supplementary Data 3

Description: Differential Expression Analysis Table (Mta2cKO vs Control)

File Name: Supplementary Data 4

Description: Genes Proximal to MTA2 Binding Sites in Colon (< 50 kb)

File Name: Supplementary Data 5

Description: SATB2-Interacting Proteins in Colon (MTA2 null vs control) Identified by Mass Spectrometry

File Name: Supplementary Data 6

Description: Reagent Information
