eTable 3. Weighted demographic summary by country	11-18
eTable 4. Description of respondents' weighted fear of 11 factors by country.	19-20
eFigure 1. Visualization of the weighted fear of 11 factors by country, World Health Organization (WHO) region, economic development level, and COVID-19 severity level.	21-29

**eTable 1. World Health Organization (WHO) regions, economic development levels and COVID-19 severity levels of the 30 countries or regions.**

<b>Country</b>	<b>Region</b>	<b>Economic development level</b>	<b>COVID-19 severity level</b>
Australia	Western Pacific Region	High-income	Low severity
Brazil	Region of Americas	Upper-middle-income	Medium severity
Burundi	African Region	Low-income	Low severity
Canada	Region of Americas	High-income	High severity
Chile	Region of Americas	High-income	High severity
Egypt	Eastern Mediterranean Region	Lower-middle-income	Low severity
Guatemala	Region of Americas	Upper-middle-income	Medium severity
Hong Kong	Western Pacific Region	High-income	Low severity
India	South-East Asian Region	Lower-middle-income	Medium severity
Indonesia	South-East Asian Region	Lower-middle-income	Medium severity
Italy	European Region	High-income	High severity
Lebanon	Eastern Mediterranean Region	Upper-middle-income	High severity
Libya	Eastern Mediterranean Region	Upper-middle-income	High severity
Macau	Western Pacific Region	High-income	Low severity
Mainland China	Western Pacific Region	Upper-middle-income	Low severity
Malaysia	Western Pacific Region	Upper-middle-income	Medium severity
Mexico	Region of Americas	Upper-middle-income	High severity
Nigeria	African Region	Lower-middle-income	Low severity
Philippines	Western Pacific Region	Lower-middle-income	Medium severity
Republic of Sudan	Eastern Mediterranean Region	Low-income	Medium severity
Rwanda	African Region	Low-income	Medium severity
Saudi Arabia	Eastern Mediterranean Region	High-income	Medium severity
Singapore	Western Pacific Region	High-income	Medium severity
South African Regionica	African Region	Upper-middle-income	High severity
South Korea	Western Pacific Region	High-income	Low severity
Spain	European Region	High-income	High severity
Thailand	South-East Asian Region	Upper-middle-income	Low severity
United Kingdom	European Region	High-income	High severity
United States	Region of Americas	High-income	High severity
Vietnam	Western Pacific Region	Lower-middle-income	Low severity

**eTable 2. Demographic summary by country.**
