

Description of Additional Supplementary Files

File name: Supplementary Data 1

Description: Label-free quantitative (LFQ) mass spectrometry analysis of FLAG-IP of GTPBP8::FLAG.

File name: Supplementary Data 2

Description: Label-free quantitative (LFQ) mass spectrometry analysis of the GTPBP8-BioID experiment.

File name: Supplementary Data 3

Description: LFQ mass spectrometry analyses of mitoproteome of GTPBP8 knock-out cell lines compared to HEK293.
