

SUPPLEMENTARY DIGITAL MATERIAL 1

Supplementary Table I.—Summary of the search strategy.

Databases searched: Medline (PubMed), Scopus, and Web of Science

Database Host: National Library of Medicine, Elsevier, Clarivate Analytics

Date of search: 25th April 2021 (PubMed), 3rd May 2021 (Scopus and Web of Science)

Years covered by search: No restrictions

Restrictions: Restricted to English language and human studies. Exclusion of papers from HIC.

Keyword strategies: Boolean search

Main Keywords	Possible synonyms applied
Rehabilitation services	“Rehabilitation Servi*”, “Rehabilitation clinic*”, Rehabilitation ward*”, Physiotherap*, Occupational therap*, “Speech therap*, Prostheti*, Orthoti*, “CommunityRehabilitation”
Organization-	Organiz*, Government*, Private, Public, NGO*
Barriers-	Obstacle*, Difficult*, Barrier*
Facilitators	Facilit*, Support*
LMIC	“Low middle income countr*”, “poor countr*”, “developing countr*, “low resource countr*”, “Middle income countr*”, “Asian countr*”, “African countr*”
