

## **Description of Additional Supplementary Files**

**File name:** Supplementary Data

**Description:** The source data behind the graphs in the paper.

**File name:** Supplementary Movie 1

**Description:** 3D Visualization of Live / Dead Cells within DPSCs-microshperoids Captured with Confocal Microscopy

**File name:** Supplementary Movie 2

**Description:** Maximum Cross-Section Visualization of Live / Dead Cells within DPSCs-microshperoids Captured with Confocal Microscopy

**File name:** Supplementary Movie 3

**Description:** 3D Visualization of DPSCs-microshperoids Cytoskeleton Captured with Confocal Microscopy

**File name:** Supplementary Movie 4

**Description:** Maximum Cross-Section Visualization of microshperoids Cytoskeleton Captured with Confocal Microscopy
