

Data Sharing Statement

Data

Data available: Yes

Data types: Deidentified participant data

How to access data: Data are not available in a repository. Since we did not specify in the online consent that the data could be used for secondary data analyses, we are not able to make the data public. A restricted dataset may be requested from Michelle Bover Manderski (ORCID 0000-0003-0000-221X; bovermi@ints.rutgers.edu) and should include a plan for its use.

When available: With publication

Supporting Documents

Document types: None

Additional Information

Who can access the data: Data may be made available to qualified researchers with an approved proposed use after the main findings are published in a peer-reviewed journal.

Types of analyses: Data may be made available to qualified researchers with an approved proposed use.

Mechanisms of data availability: All data sharing will comply with local, state, and federal laws and regulations and may be subject to appropriate human subjects institutional review board approvals.
