

Supplementary Data Zein *et al.*

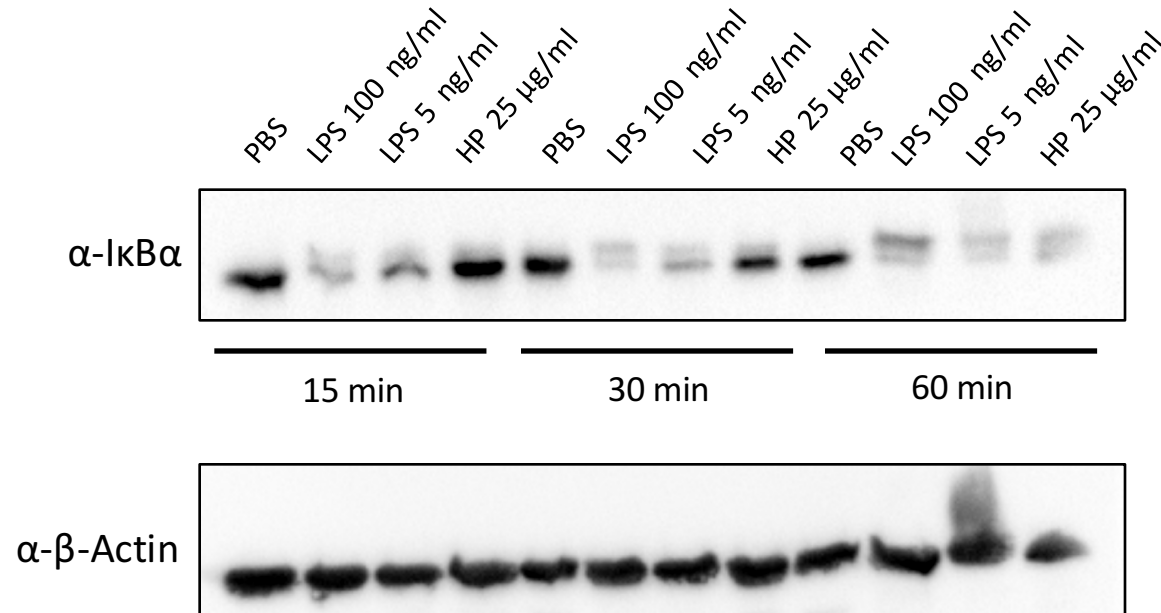

RNA-seq data and associated experimental and bioinformatic details are deposited at Gene Expression Omnibus (GSE215916).

Induction of NF- κ B signaling by HP –
Kinetics of I κ B α degradation
Donor 1

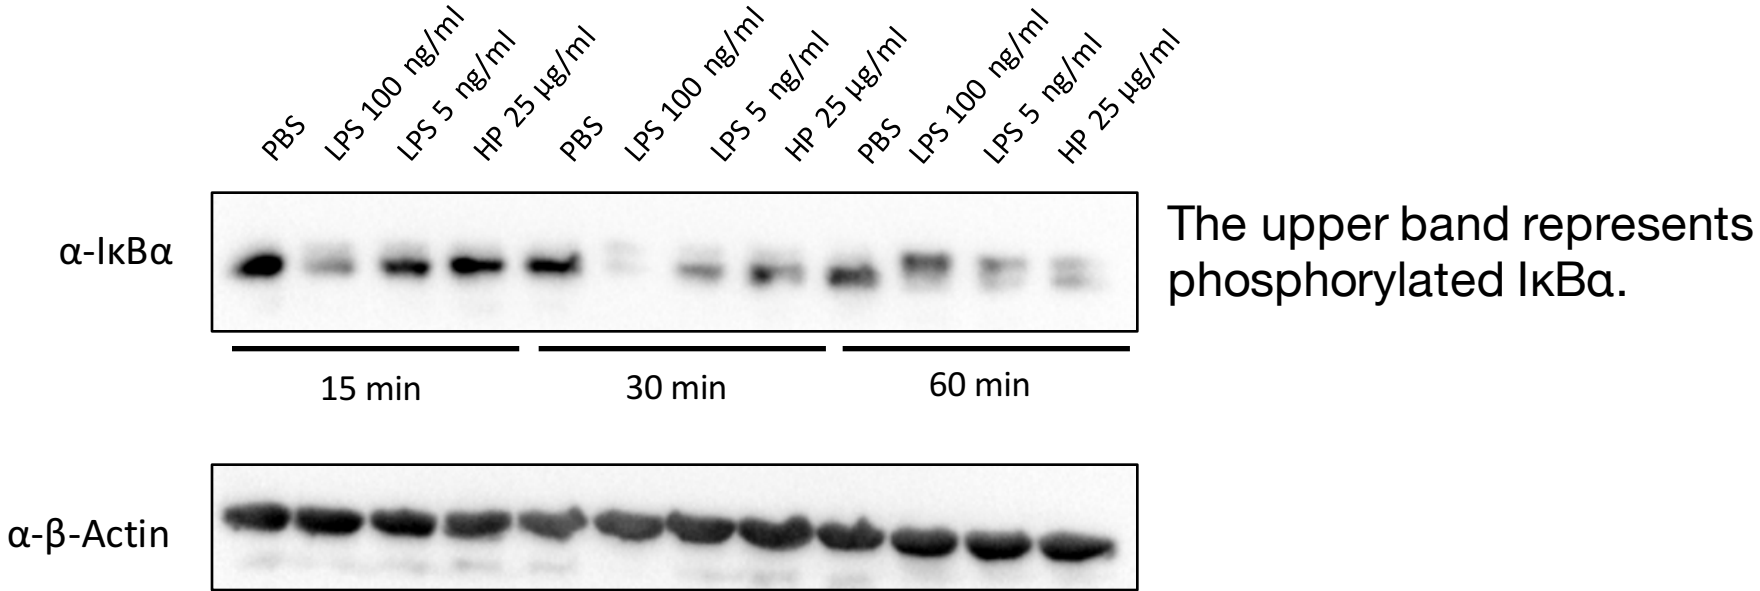

The upper band represents phosphorylated I κ B α .

Induction of NF- κ B signaling by HP –
Kinetics of I κ B α degradation
Donor 2

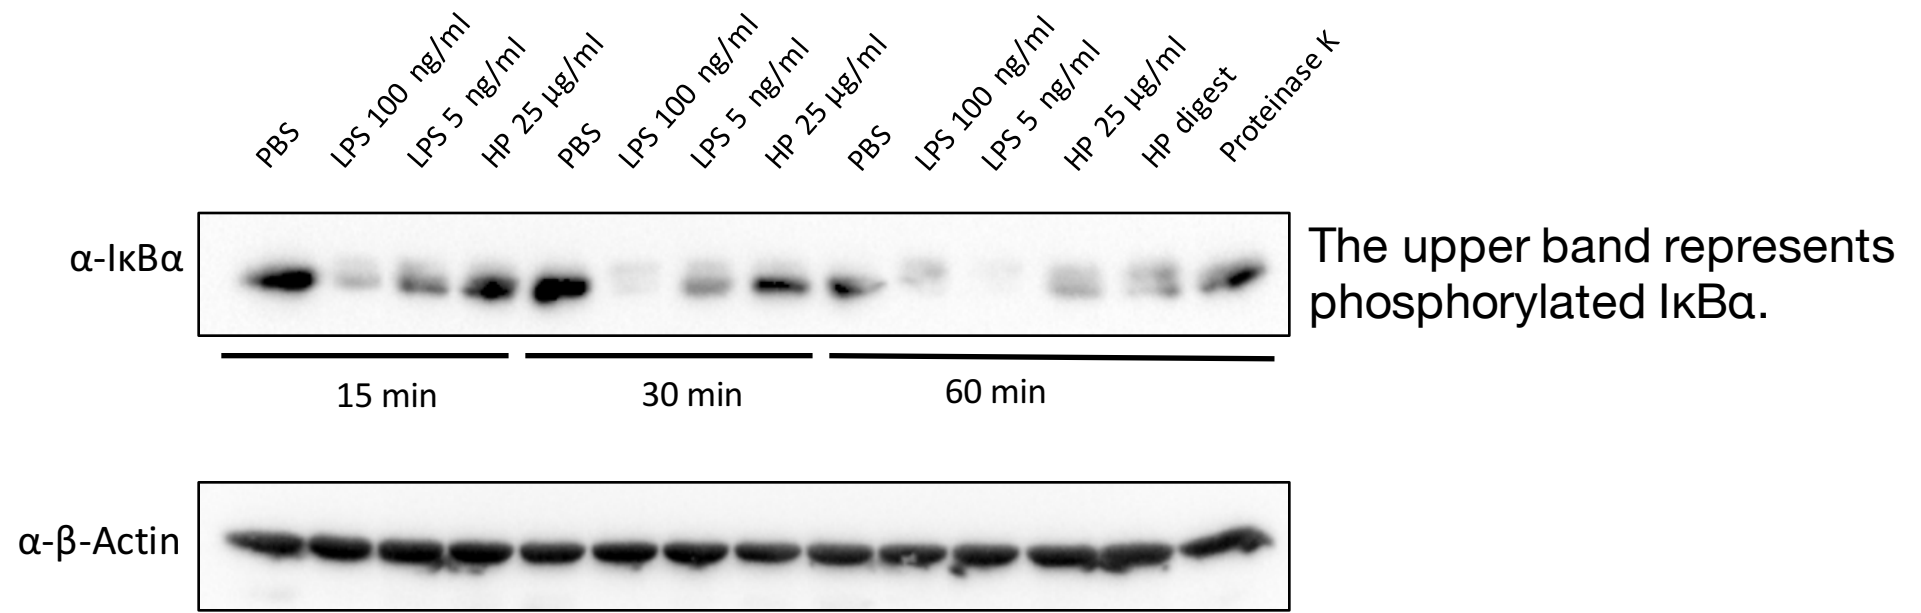

The upper band represents phosphorylated I κ B α .

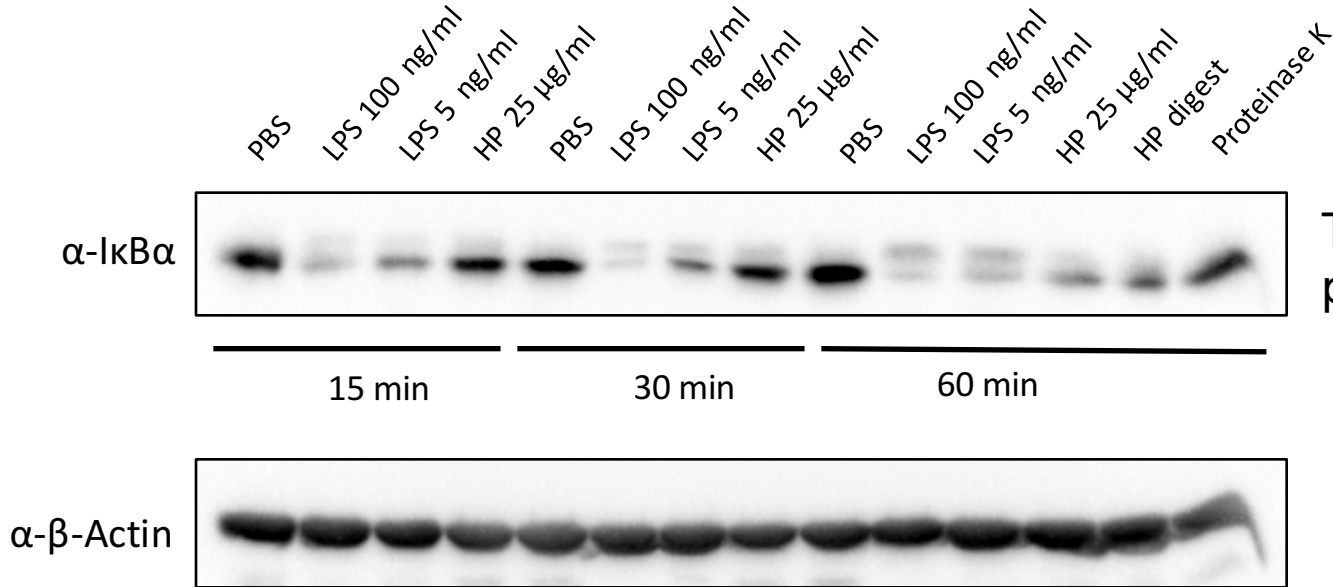

Induction of NF- κ B signaling by HP –
Kinetics of I κ B α degradation
Donor 3

Induction of NF- κ B signaling by HP –
Kinetics of I κ B α degradation
Donor 4

Induction of NF- κ B signaling by HP –
Kinetics of I κ B α degradation
Donor 5

The upper band represents phosphorylated I κ B α .
