## **Editorial Certification**

This is to certify that the manuscript entitled “ **Adipokines and their potential impacts on susceptibility to myocardial ischemia/reperfusion injury in diabetes**” was edited for English language usage, grammar, spelling and punctuation by one senior native English-speaking editors at Vanscholar Editing Service at the level of advanced service. The editors focused in correcting improper language and rephrasing awkward sentences, using their scientific training to point out passages that were confusing or vague. Every effort has been made to ensure that neither the research content nor the authors’ intention were altered in any way during the editing process.

Documents receiving this certification should be English-ready for publication; however, please note that the authors have the ability to accept or reject our suggestions and changes. If you have any question or concerns over this edited document, please contact Vanscholar Editing Service at [infor@vanscholareitors.com](mailto:infor@vanscholareitors.com)
