Dear Prof. Cho,

It is a great pleasure to assist you in editing your manuscript.

The manuscript entitled **‘SPOP-mediated RIPK3 destabilization desensitizes LPS/sMAC/zVAD-induced necroptotic cell death’** was proofread and edited by Mark B., one of the English editors at NURISCO.

NURISCO is a professional English editing company which has been working for scholars of major universities and various prestige English journals for more than 28 years. We select a specific native speaker with related major and English editing skill to improve both English and major related style of a particular manuscript.

Yours truly,

NURISCO
