

ISCAN combined Knowledge Test and Survey

Start of Block: ISCAN survey

Q1 intro A link to the answer key will be included at the conclusion of the survey.

Q2 acquire How confident are you in your ability to **ACQUIRE** ultrasound images of the:

	Not at all confident (1)	Only a little confident (2)	Somewhat confident (3)	Very confident (4)
Heart (1)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Lungs (2)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Abdominal organs (3)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Deep Veins (4)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Knee (5)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Q3 interpret How confident are you in your ability to **INTERPRET** ultrasound images of the:

	Not at all confident (1)	Only a little confident (2)	Somewhat confident (3)	Very confident (4)
Heart (1)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Lungs (2)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Abdominal organs (3)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Deep Veins (4)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Knee (5)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Q4 evaluate How likely are you to use US to evaluate:

	Not at all likely (1)	Only a little likely (2)	Somewhat likely (3)	Very likely (4)
Dyspnea (1)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Abdominal pain (2)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Hypotension (3)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Volume status (4)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
DVT (5)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Cellulitis (6)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Knee infusion (7)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Ascites (8)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Acute kidney injury (9)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Q5 procedure Click to write the question text

	All procedures (1)	Only for challenging procedures (2)	I don't perform this procedure (3)	I don't use US for this procedure (4)
Venipuncture (1)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Lumbar puncture (2)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Paracentesis (3)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Peripheral IV (4)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Thoracentesis (5)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Q6 proficiency Have you reached the level of proficiency with POCUS you have hoped to since taking the course?

- No (1)
 - Partly (2)
 - Yes (3)
-

Q7 influence What influenced your proficiency in learning POCUS?

	Was a major barrier (1)	Was somewhat of a barrier (2)	Was not a barrier or facilitator (3)	Was somewhat of a facilitator (4)	Was a major facilitator (5)
Access to an ultrasound machine (portable or cart-based) (1)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Time to practice (2)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Time to scan to answer a clinical question (3)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Availability of expert review of uploaded clips (4)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Access to online resources (free online resources, YouTube, Twitter, etc.) (5)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Availability of hands-on teaching on-sight with an expert (6)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Access to conferences (institutional, regional, or national) (7)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Q8 interview We are interested in better understanding what contributes to clinicians' decisions about whether or not to use POCUS. Would you be willing to be interviewed individually or in a focus group?

- No (1)
 - Yes (2)
-

Q9 thoughts Please share any additional thoughts you have about POCUS or its use.

Q10 gender Gender

- Male (1)
 - Female (2)
 - Non-binary / third gender (3)
 - Prefer not to say (4)
-

Q11 age Age

- 20-30 (1)
 - 31-40 (2)
 - 41-50 (3)
 - 51-60 (4)
 - >60 (5)
-

Q12 year In what year did you take the NYU POCUS course? (Choose the first course if multiple)

- 2018 (1)
 - 2019 (2)
 - 2020 (3)
 - 2021 (4)
 - 2022 (5)
 - 2023 (6)
-

Q13 portfolio Have you completed an image portfolio?

- No (1)
 - Partially completed (2)
 - Yes (3)
-

Q14 courses How many hours of additional formal POCUS education have you received outside of this course? Include electives, POCUS Refresher, ACP course, etc.

- 0 (1)
 - 1-5 (2)
 - 6-10 (3)
 - 11-20 (4)
 - >20 (5)
-

Q15 degree Degree

- MD/DO (attending) (1)
- PA (2)
- NP (3)
- Other - indicate below (4)

Q16 sepcialty What is your specialty? (general medicine, nephrology, neuro critical care, etc.)

Q17 years practice How many years have you been practicing in your current field?

Q18 practice setting Practice setting (choose all that apply)

- Inpatient (1)
- Outpatient (2)
- Critical care (3)

Q19 teach pocus Do you teach POCUS to others? (choose all that apply)

- Informally, as I would teach other clinical skills (1)
 - Dedicated POCUS teaching as part of a larger course (2)
 - POCUS course leadership (3)
 - I do not teach POCUS (4)
-

Q20 learners Who are your learners (POCUS and non-POCUS related)? (choose all that apply)

- Faculty (1)
- Medical Students (2)
- Residents (3)
- Fellows (4)
- APPs (PAs, NPs) (5)
- I don't teach (6)

End of Block: ISCAN survey
