

iScience, Volume 28

## **Supplemental information**

### **Elucidating cardiomyocyte heterogeneity and maturation dynamics through integrated single-cell and spatial transcriptomics**

**Xiaoying Wang, Lizhi Cao, Rui Chang, Junwei Shen, Linlin Ma, and Yanfei Li**

**Figure S1. Comparative analysis of scRNA samples before and after filtration, related to Figure 1.**

(A) scRNA samples before filtering. (B) scRNA samples after filtration.
