Dear academic editor and reviewers,

**RE: Response to reviewers with regards to PONE-D-24-20214R1**

The resubmission enclosed with this letter, *Calculating Age-Specific Prevalence Rates of female genital mutilation / cutting (FGM/C) for use as an input variable in extrapolation calculations and as predictors of future prevalence in countries of origin*, separates the supplemental data from the manuscript as requested.

We thank you for your time in considering this resubmission.

Sincerely,

A handwritten signature in black ink, appearing to be 'Sean Callaghan', with a small red mark to the right.
