Electronic appendices are refereed with the text; however, no attempt is made to impose a uniform editorial style on the electronic appendices.

Figure 3

Transects used for calculating the proportion of waterbirds entering the wind farm. Letters relate to the symbols used in the text: A equals the red, B the blue, C the green, and D the orange transect. Black lines indicate westerly migrating flocks of waterbirds, red dots the wind turbines, blue dot the radar, and the scale bar equals 3000m.
