On page 522, paragraph 2, lines 7-8: *Guanosine 5' — diphosphate* should have been *GDP*. We apologize to the authors for this error made in page proofs. In addition, the authors wish to issue two corrections: on page 523, column 2, last line of first paragraph, it should read *virtually absolve the dam* instead of *initially absolve the claim*; also, on page 525, column 2, paragraph 3, tenth line, reference number 34 should have been reference number 63.
