### Correction

It has been brought to our attention that there is an error in figure 3 on page ii55 of the Pleural Disease Guideline available at [www.brit-thoracic.org.uk/docs/PleuralDiseaseChestDrain/pdf](http://www.brit-thoracic.org.uk/docs/PleuralDiseaseChestDrain/pdf). Below is a corrected diagram illustrating the “safe triangle” for a chest drain. The publishers apologise for this error.
