

Table 5. Mean percentage of discarded trials in the two groups in the three experiments, for each condition

Action	Mean no. of discarded trials, %	
	Autistic children	TD children
Experiment 1		
Grasping to eat	11	9
Grasping to place	11	11
Experiment 2		
Grasping to eat	8	9
Grasping to place	9	15
Experiment 3		
Pedal action	13	3
Open container	8	8
