

<b>Species</b>	<b>Words assigned</b>
<i>C. elegans</i>	AW, APW, AWR, APWR, AWRD, APWRD, WRD, WR, PW, PWRD, PWR
<i>C. briggsae</i>	AMW, AWS, APWS, WSD, WS, PWS, PWS
<i>C. remanei</i>	(A)NW*

**Table S6. Characteristic words associated with each species.** These words are formed from letters designated for each phenotype in order to represent the experimentally observed, species-specific phenotype progressions along the inductive signal (*I*) axis.
