

Supplementary Figure #1: Percent of Proteins by Number of predicted TMDs (TMHMM) for MudPITs

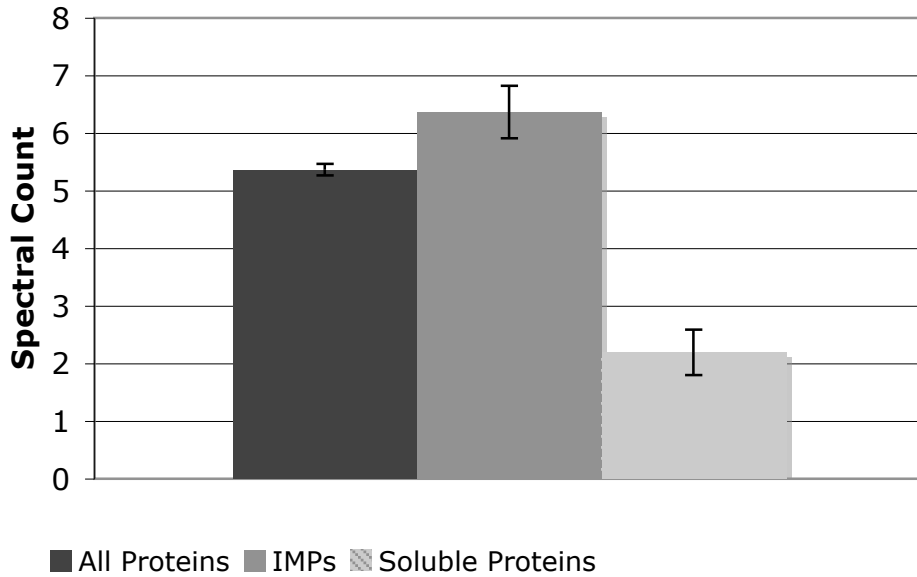

Supplementary Figure #2: Average Percent of Peptides vs GRAVY Score for MudPITs

Supplementary Figure #3: Percent of Amino Acids per Peptide Overlapping with a Predicted TMD (TMHMM) for MudPITs

Supplementary Figure 4A: Average spectra per protein for all proteins, integral membrane proteins and soluble proteins

Supplementary Figure 4B: Average Percent Sequence Coverage for Identified Membrane and Soluble Proteins
