* Treatment Abreviations							
C = chlorambucil							
C/P = chlorambucil/prednisone							
FCR = fludarabine, cyclophosphamide, rituximab							
PCR = pentostatin, cyclophosphamide, rituximab							
FR = fludarabine, rituximab							
R-CHOP = rituximab, cyclophosphamide, vincristine, doxorubicin, prednisone							
R-CVP = rituximab, cyclophosphamide, vincristine, prednisone							
ESHAP = etoposide, cytarabine, cisplatin, methylprednisolone							
R = rituximab							
A = alemtuzumab
