

Appendix 3 (as supplied by the authors): Breakdown of quintiles for each socio-economic characteristic included in the principal components analysis of household socio-economic status of women with a past pregnancy.

Supplementary table 2. Distribution of household characteristics included in the index of household socio-economic status, TNVS Household survey 2007

		Household socio-economic status of women pregnant in previous 12 months ¹					
		Quintile 1 (poorest) [N=232]	Quintile 2 [N=328]	Quintile 3 [N=261]	Quintile 4 [N=274]	Quintile 5 (least poor) [N=232]	Overall [N=1327]
Household characteristic (%)	Toilet facility (flush or latrine)	73	84	86	91	98	86
	Electricity supply	0	0	0	0	44	8
	Iron/tile roof	3	7	34	71	97	41
	Rented home	6	8	5	10	21	10
Household head education (%)	None	48	38	30	24	14	30
	Primary	37	34	37	36	31	34
	Secondary	15	28	33	40	55	35
Household ownership (%)	Mobile phone	0	0	4	26	92	22
	Bicycle	25	50	56	68	66	53
	Radio	8	51	73	85	90	62
	Goats/sheep/cows	59	45	46	43	28	45
	Ducks/Chickens	72	77	72	64	49	67

¹ Quintile 1 represents the poorest households in the sample, rising to quintile 5 least poor.
