## Permission and Compliance Checklist

Manuscript No. JNCI-09-1640

**CORRESPONDING AUTHOR:** Please print this form, complete **Parts 1, 2, and 3** below, and return the form to the Journal office by fax or express mail.

(1) You must submit written permission from the following parties (check as appropriate):

- a) One author of any work cited as a personal communication, unpublished data, or a manuscript in preparation, submitted for publication, or in press.
- b) The copyright holder (usually a journal) of any previously published table or illustration, giving authorization to reprint or to print an adapted version.
- c) Any person named in acknowledgements who has been credited with a substantive scientific contribution to the work (e.g., a supplier of cell lines).
- None of the above applies.

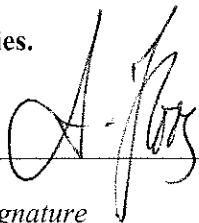

(2) Manuscripts reporting on biomedical studies involving human subjects must include the following (check as appropriate):

- a) Explicit assurance that written, informed consent was obtained from each subject or from his or her guardian.
- b) A statement that the investigations were approved by a specific local institutional review board and, when appropriate, in accord with an assurance filed with and approved by the U.S. Department of Health and Human Services.
- Neither of the above applies.

(3) Any study involving experiments with animals must state the following (check as appropriate):

- a) Their care was in accord with institutional guidelines.
- b) Where applicable, the dose and schedule of anesthetics and analgesics.
- Neither of the above applies.

## Corresponding Author Declarations; Instructions for Conflict of Interest Form

Manuscript No. JNCI-09-1640

**CORRESPONDING AUTHOR:** Please make copies of the conflict of interest form, a separate copy for each author of the manuscript. (You may wish to circle a different author's name on each copy.) Verify that each author has completed part I or II of the conflict of interest form. It is a condition of publication that all authors complete the conflict of interest form. Please keep a copy of the completed forms. Return all forms together by express mail to Suite 500, 8120 Woodmont Ave., Bethesda, MD 20814, by fax to 301-841-1299, or by e-mail to [jncimanuscripts@oxfordjournals.org](mailto:jncimanuscripts@oxfordjournals.org).

YOUR MANUSCRIPT **WILL NOT BE PROCESSED** IF ALL CONFLICT OF INTEREST FORMS ARE NOT RECEIVED. MAKE SURE EACH AUTHOR HAS COMPLETED HIS/HER FORM.

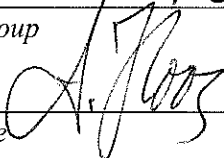

**PLEASE RETURN BOTH PAGES OF THIS FORM, EVEN IF SECTIONS ON ONE PAGE DO NOT APPLY.**

1. You must complete this section if representatives (e.g., officials or attorneys) of a business, foundation, or special interest group authored, co-authored, edited, reviewed, or approved all or part of this manuscript.

Cancer Vaccine Consortium, Cancer Research Institute

Name of business, foundation, group

Corresponding author's signature

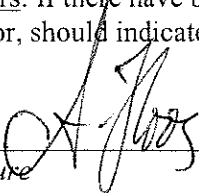

Date

02-24-10

2. For research and non-research papers: If there have been **no changes in authorship** since original submission, you, as the corresponding author, should indicate as such, by signing below:

Corresponding author's signature

Date

02-24-10

3. Note the following if there have been any **changes in authorship**:

- (a) For research papers and non-research papers: If an author's **name has been removed** since the original manuscript submission, please ask that person to send you a brief statement saying that he or she knows the name was removed and that he or she approves the change. Send the statement to us with the manuscript's completed Conflict of Interest forms.

REMOVED author name(s) (typed or printed)

N/A

(b) For research papers: If one or more author **names have been added** since the original manuscript submission, you, as corresponding author, should affirm the following regarding the added author(s):

N/A

---

*ADDED author name(s) (typed or printed)*

The author(s) named above has/have directly participated in the planning, execution, or analysis of the study and has/have approved the current version.

---

*Corresponding author's signature*

*Date*

(c) For non-research papers (including Correspondence not requiring original research): If one or more author **names have been added** since the original manuscript submission, you, as corresponding author, should affirm the following regarding the added author(s):

N/A

---

*ADDED author name(s) (typed or printed)*

The author(s) named above has/have directly participated in the drafting of this manuscript and has/have approved the current version.

---

*Corresponding author's signature*

*Date*

**PLEASE RETURN BOTH PAGES OF THIS FORM, EVEN IF SECTIONS ON ONE PAGE DO NOT APPLY.**
