<sup>a</sup>Place of origin is abbreviated as follows: AUS, Australia; BGR, Bulgaria; CHN, China; HGR, Hungary; JPN, Japan; KOR, Korea; MAL, Peninsular Malaysia; SAF, South Africa; SAR, Sarawak, Malaysian Borneo; SIN, Singapore; TWN, Taiwan; U.K., United Kingdom; USA, United States of America.

<sup>b</sup>All sequences retrieved from GenBank are referred to by the strain name recorded in the GenBank record followed by place of origin and year of isolation in brackets. Strains sequenced during this collaborative project have been deposited with the information on origin and year already included in the strain name following the same nomenclature as in [Appendix Table 1](#).
