

<b>Organ or system</b>	<b>Questions</b>	<b>Grade</b>
<b>Hearing</b>	<b><i>Have you ever been told by a doctor or other health care professional that you have, or have had...</i></b>	
	Problems hearing sounds, words, or language in crowds	1
	Hearing loss requiring a hearing aid	2
	Deafness in one or both ears not completely corrected by hearing aid	3
	Complete deafness in either ear	3
<b>Vision</b>	<b><i>Have you ever been told by a doctor or other health care professional that you have, or have had...</i></b>	
	Cataracts, but did not require surgery	1
	Glaucoma (excess pressure in eyeball)	1
	Cataracts that required surgery	2
	Problems with double vision	2
	Very dry eyes requiring eye drops or ointment	2
	A detached retina or other condition of retina	2
	Legally blind in one or both eyes	3
	Loss of an eye	3
<b>Oral</b>	<b><i>Have you ever been told by a doctor or other health care professional that you have, or have had...</i></b>	
	Stammering or stuttering	1
	Abnormal sense of taste	1
	Loss of taste or smell which has lasted at least 3 months	1
	Problems with gums: bleeding or swelling	1
	Abnormally dry mouth	1
<b>Genitourinary</b>	<b><i>Have you ever been told by a doctor or other health care professional that you have, or have had...</i></b>	
	Kidney stones	1
	Repeated kidney infections	2
	Repeated bladder infections	2
	Dialysis	4
	Kidney transplant	4
<b>Endocrine</b>	<b><i>Have you ever been told by a doctor or other health care professional that you have, or have had...</i></b>	
	An underactive thyroid gland (Hypothyroid) not requiring medication	1
	An underactive thyroid gland (Hypothyroid), requiring you to be on medication	2
	Thyroid nodules, not requiring surgery	2
	Diabetes, requiring oral medications	2
	Have you ever received injections of growth hormone (Protropin or Humatrope)	2
	An overactive thyroid gland (Hyperthyroid)	3
	Thyroid nodules, requiring removal of all or part of the thyroid gland	3
Diabetes, requiring you to be on insulin	3	
<b>Musculoskeletal</b>	<b><i>Have you ever been told by a doctor or other health care professional that you have, or have had...</i></b>	
	Osteoporosis, brittle, weak or fragile bones	2
	Avascular necrosis (deterioration of joint bones such as hip or shoulder joint)	2
	Joint replacement	3

<b>Organ or system</b>	<b>Questions</b>	<b>Grade</b>
<b>Cardiac</b>	<b><i>Have you ever been told by a doctor or other health care professional that you have, or have had...</i></b>	
	Irregular heartbeat or palpitations, (Arrhythmia) not requiring medication or follow-up by a doctor	1
	Hypertension (high blood pressure), not requiring medication	1
	Stiff or leaky heart valves	1
	Congestive heart failure or cardiomyopathy (weak heart muscle), not requiring medication	2
	Irregular heartbeat or palpitations, (Arrhythmia) requiring medication or follow-up by a doctor	2
	Hypertension (high blood pressure), requiring medication	2
	A myocardial infarction (heart attack)	3
	Coronary heart disease not requiring catheterization ("heart cath") or surgery but on medication such as nitroglycerine	3
	Angina pectoris (chest pain due to lack of oxygen to heart requiring medication such as nitroglycerine)	3
	Congestive heart failure or cardiomyopathy (weak heart muscle), requiring medication	3
	Blood clot in lung, arm, leg or pelvis	3
	Heart attack, requiring catheterization ("heart cath"), angioplasty (enlarging a heart vessel using a balloon), or coronary artery bypass surgery	4
	A stroke or a cerebrovascular accident	4
Heart transplant	4	
<b>Respiratory</b>	<b><i>Have you ever been told by a doctor or other health care professional that you have, or have had...</i></b>	
	Chronic cough or shortness of breath for greater than one month	1
	Lung fibrosis or "scarring" of the lung, not requiring extra oxygen	1
	Emphysema, not requiring medication	1
	Lung fibrosis or "scarring" of the lung, requiring extra oxygen	3
	Emphysema, requiring medication	3
Lung transplant	4	
<b>Gastrointestinal</b>	<b><i>Have you ever been told by a doctor or other health care professional that you have, or have had...</i></b>	
	Hepatitis	2
	Rectal or anal fistula	2
	Cirrhosis of the liver	3
	Rectal or anal stricture (narrowing or scarring)	3
	Surgery for intestinal obstruction	3
Liver transplant	4	
<b>Neurological</b>	<b><i>Have you ever been told by a doctor or other health care professional that you have, or have had...</i></b>	
	Epilepsy not requiring medications	1
	Repeated seizures, convulsions, or black outs not requiring medications	1
	Problems with balance, equilibrium, or ability to reach for/manipulate objects	1
	Persistent dizziness or vertigo	1
	Tremors or problems with movement	1
	Weakness or inability to move leg(s) or arm(s), with minimal impairment	1
	Decreased sense of touch or feeling in hands, fingers, arms or legs	1
	Epilepsy requiring medications	2
	Repeated seizures, convulsions, or black outs requiring medications	2
Weakness or inability to move leg(s) or arm(s), moderate impairment	2	

Organ or system	Questions	Grade
Second malignancy	<i>Have you ever been told by a doctor or other health care professional that you have, or have had...</i>	
	Basal cell cancer	2
	Thyroid cancer	3
	Any other type of cancer	4
