

Supplementary Material

Addresses to access GXD

GXD can be accessed at The Jackson Laboratory through the Mouse Genome Informatics (MGI) Web site at <http://www.informatics.jax.org>, which provides integrated access to GXD and MGD data, or directly at

http://www.informatics.jax.org/menus/expression_menu.shtml.

GXD query forms

Gene Expression Literature Index query form:

http://www.informatics.jax.org/searches/gxdindex_form.shtml

Gene Expression Data query form:

http://www.informatics.jax.org/searches/expression_form.shtml

Gene Expression Data – Expanded query form:

http://www.informatics.jax.org/searches/expression_form_exp.shtml

Mouse Anatomical Dictionary Browser:

http://www.informatics.jax.org/searches/anatdict_form.shtml

cDNA Clone query form:

http://www.informatics.jax.org/searches/estclone_form.shtml

Gene Expression Notebook

<http://www.informatics.jax.org/mgihome/GXD/GEN/>

Mouse Anatomical Dictionary

Mouse development:

http://www.informatics.jax.org/searches/anatdict_form.shtml

Adult mouse:

http://www.informatics.jax.org/searches/AMA_form.shtml
