

Supplemental Fig. 1. Schematic cloning strategies and Southern blot analysis of the *A. nidulans* $\Delta araR$, $\Delta xlnR$ and $\Delta araR/\Delta xlnR$ strains. A. Strategy and Southern analysis of the *araR* disruptant; B. Strategy and Southern analysis of the *xlnR* disruptant; C. Southern analysis of the $\Delta araR/\Delta xlnR$ disruptant. Left: *Hind*III digest. Right: *Cla*I digest.
