Supplemental Figure 1. Box plot of predicted probabilities for having albuminuria based on the self-assessment tool among individuals without and with albuminuria in the external validation data set (NHANES 1999-2004).

No Albuminuria	Albuminuria
Predicted values	Predicted values
98th percentile: 0.30	98th percentile: 0.39
75th percentile: 0.12	75th percentile: 0.22
50th percentile: 0.07	50th percentile: 0.13
25th percentile: 0.05	25th percentile: 0.08
2nd percentile: 0.04	2nd percentile: 0.04
