Multimedia Appendix 1. In- and excluded eHealth journal papers

Refs:	Category:	In- and exclusion criteria:
[1-16]	Framework	Included (16); papers describing strategies or principles for improving the development of eHts and presenting hands-on guidelines or quality criteria
[17-44]	Non-framework	Excluded (28); papers describing strategies or principles for improving the development of eHts without presenting a hands-on guideline or quality criteria
[45-60]	General	Excluded (16); papers not describing strategies or principles for improving the development of eHts
