

ERRATA

The interaction of RNA polymerase II from wheat with supercoiled and linear plasmid templates

by D.M.J.Lilley and M.Houghton

Nucleic Acids Research 6, 507-523, February 1979

On Pages 517 and 518 Figs. 9 and 10 were interchanged.

Urea-induced binding of histone H1 to nucleosomes lacking linker DNA

by S.A.Newman and P.Noon

Nucleic Acids Research 6, 609-623, February 1979

On Page 613 the legend to Fig. 2 should contain:

- (d) DNA from high mobility liver mononucleosomes;
- (e) DNA from low mobility erythrocyte mononucleosomes;

On Pages 618 and 619 the legends to Figs. 6 and 7 were interchanged.
