 - Implementation Approaches
 - Other:
 - Other:

3. How many hours of training do you require in your program?

4. What are the methods of delivery?
 - On Line Only
 - Face to Face Only
 - On Line AND Face to Face
 - Other:

5. Do you incorporate motivational interviewing principles in your training program?
 - Yes
 - No

6. What screening instruments do you use in your training program?
 - AUDIT-C
 - DAST
 - ASSIST
 - TWEAK
 - CAGE
 - Other:
 - Other:

7. Do you incorporate tobacco in your program?
 - Yes
 - No

8. Do you incorporate drug abuse in your program?
 - Yes
 - No

9. Do you use a published curriculum?
 - Yes
 - No

Training and Implementation

1. What types (medical specialties) of residents are being trained?
2. What levels of residents are being trained?
 - PGY1
 - PGY2
 - PGY3
3. Are residents using SBIRT in practice?
 - Yes
 - No
4. If yes to Question 3, how are you measuring the use of SBIRT in practice?
 - Screens
 - EMR
 - Other Method
5. Have you used your curriculum with Medical Students?
 - Yes
 - No
6. If No to Question 5, do you plan to do so?
 - Yes
 - No
7. What other health personnel (nursing, pharmacy, dentistry) have been/are being trained as part of your project?
 - Nurses
 - Pharmacists
 - Dentists
 - Other
8. What training resources do you find most valuable?
 - Literature
 - SAMHSA resources
 - NIDA/NIAAA resources
 - Other SAMHSA resources:
 - Other:
8. How many residents will you train?
 - by now
 - by the end of your grant

Barriers and Lessons Learned

1. Describe challenges that your program has faced/is facing
2. Describe any lessons your program has learned thus far from these challenges.
3. Describe ways your training program could be spread and used by other residency/medical school programs nationwide.
