Title Integrative genomic analyses of neurofibromatosis tumors ...

Thank you very much for the color figures that you sent to illustrate your manuscript. As you know, we do ask our authors to contribute towards the extra cost incurred for the reproduction of color. The prices (incl. VAT) are listed below.

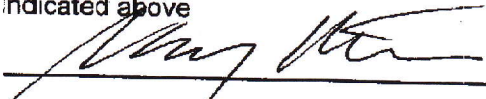

1 color figure	595.00 Euro

For German sales tax purposes the charge for color prints is considered a service and, therefore, is subject to German sales tax. The presentation of a VAT identification number does not, in this case, have an influence on the taxability of this transaction.

For 5 and more color figures please contact our Production Department for an individual offer at: mblaschke@wiley.com

I hereby state that I agree to pay the publication charges to Wiley-VCH as indicated above

Subject to prior approval by the editor, authors may elect to have colour reproduction of figures restricted to the online version of their article.
