

Table S1 : Comparing the inedge density in the integrated network versus random networks

		Network	Random	Stdev (random)
Splicing regulation inedges	splicing factors	4	0.9	0.6
	transcription factors	0.95	1.2	0.2
	kinases	1	1.1	0.1
Transcription regulation inedges	splicing factors	5.3	5.2	1.2
	transcription factors	8.3	5.1	0.5
	kinases	3.3	5.1	0.2
