

Empowering Latino Youth Survey

Thank you for participating in our survey. Your participation is very important. The information you give will be used to develop better youth development programs for teens.

Please answer the questions as honestly as possible based on what you really think or do. There are no right or wrong answers.

If you run into problems please ask the assistant for help. Each question will be read to you if you click on the play button after the question. To increase the volume press "F9". To decrease the volume press "F8".

Some questions are longer and require you to scroll to the bottom. You can use the "up" and "down" arrows or the mouse pad to scroll up and down on the right side of the screen - just like reading a website.

After you've clicked on a choice, click NEXT to be taken to the next screen.

If you decide you want to change one of your answers, just use the BACK button to go back.

If at any time you want to clear all your answers on a page click the RESET button.

Select NEXT to go to the next screen.

The computer has headphones to keep your answers private. Your teachers and your parents will not know your answers.

Completing the survey is voluntary, meaning you do not have to participate if you do not want to. You are also free to refuse to answer any of the questions. Whether or not you answer the questions will not affect anything in school or in this program.

Please feel free to ask our staff any questions you may have about this survey.

THANK YOU VERY MUCH FOR YOUR HELP!

Please let the assistant know if you have any questions.
