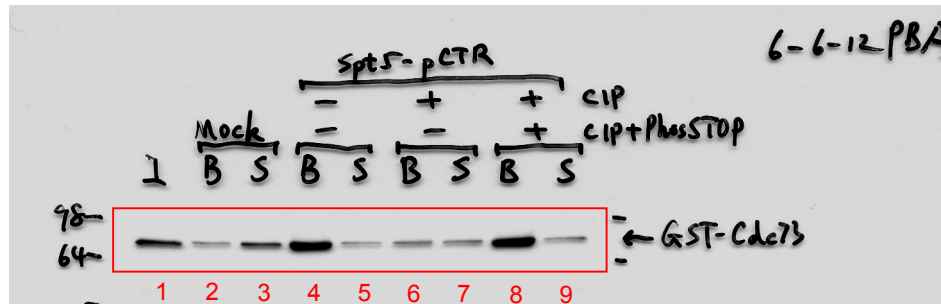

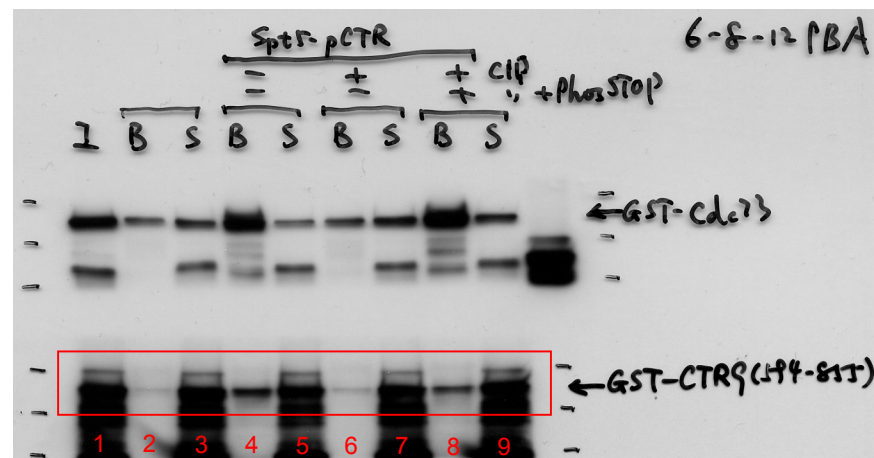

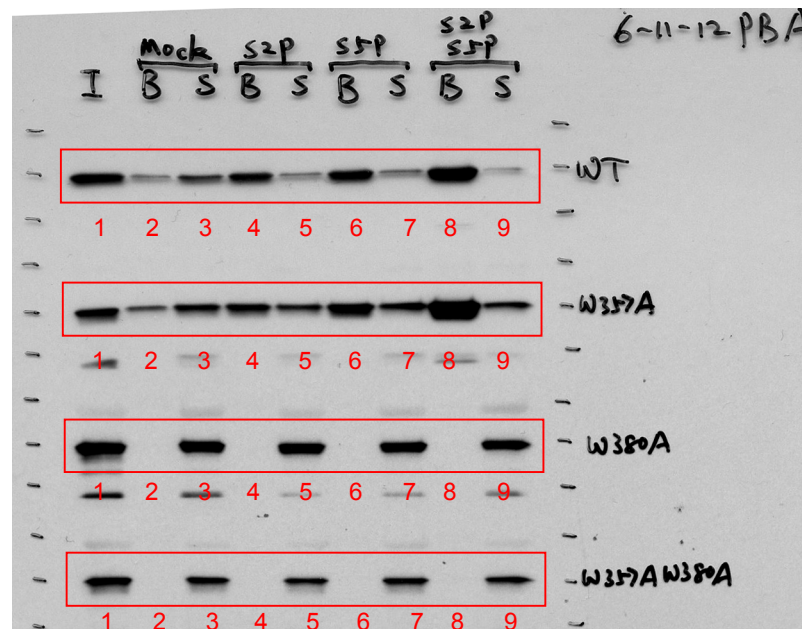

Image 60

Boxed lanes are numbered and labeled as they appear in  
**Fig. 2B of 3rd revision of the manuscript**

The experiments on GST-Cdc73 on Images 59-60 are replicate trials and the Image 59 results were chosen for presentation because the exposure more closely matches Fig. 2B in the original manuscript.

Image 58

Boxed lanes are numbered and labeled as they appear in Fig. 3B of 3rd revised manuscript.
