

794 *Table S1.* Mean percent of trials that subjects chose the stimulus associated with the
 795 large reward during pretest.

796

	<i>Lemur catta</i>		<i>Eulemur mongoz</i>		<i>Varecia rubra</i>
Quantity Comparison	Aracus	Aristides	Eduardo	Pedro	Borealis
1 versus 0	93% *	86% *	90% *	31%	76% *
2 versus 1	60%	98% *	63% *	88% *	64% *

797

798 * Significant preference, one-tailed binomial test

815 Table S2. Mean percent of trials that subjects chose the constant option in the last 5
 816 sessions of each condition.

	<i>Lemur catta</i>		<i>Eulemur mongoz</i>		<i>Varecia rubra</i>
Variable to Constant Reward Ratio	Aracus	Aristides	Eduardo	Pedro	Borealis
1	65*	97*	58	83*	68*
1.5	60	93 *	65*	87*	-
2	67*	92*	60	88*	48
2.5	57	47	62	67*	-
3	32 ⁺	62	63*	55	50
3.5	58	3 ⁺	67*	47	-
4	47	82*	65*	40	63*
4.5	47	93*	58	82*	-
5	2 ⁺	10 ⁺	72*	98*	54
7.5	48	20 ⁺	43	50	37 ⁺

817

818 * Significant preference for constant option, binomial test

819 + Significant preference for variable option, binomial test
