

Supplemental Figures

Supplemental Figure 1: Analysis of Fine Motor Skills tested in the SRC^{-/-} mice. (A-C) Grip strength analysis of WT and SRC^{-/-} mice. **(B)** Both SRC2^{-/-} female and male mice display decreased grip strength. **(C)** SRC3^{-/-} female mice show a decrease in grip strength. **(D-F)** Wire hang analysis of WT and SRC^{-/-} mice. **(F)** SRC3^{-/-} female mice display decreased ability in the wire hang assay. **(G-I)** Dowel test analysis of WT and SRC^{-/-} mice. **(J-L)** Whole body weight analysis of WT and SRC^{-/-} mice. **(K)** SRC2^{-/-} female mice show a reduction in body weight. **(L)** Both SRC3^{-/-} male and female mice show display a lower body weight. Mean ± SEM; *p<0.05.
