

MS versus OND-I

MS versus OND-NI

Supplementary Fig. 3. Ratios making up the ratioscore that discriminate MS from OND-I or OND-NI. **a.** Optimum ratios to discriminate MS from OND-I. **b.** Results for individual CIS → MS subjects using the MS : OND-I ratioscore. **c.** Optimum ratios to discriminate MS from OND-NI. **d.** Results for individual CIS → MS subjects using the MS : OND-NI ratioscore.
