

ERG induces a mesenchymal-like state associated with chemoresistance in leukemia cells - Mochmann et al

A. ERG over-expressed genes in Grasso Prostate ERG Rearrange-ment

Legend: 1. ERG Rearrangement (27) 2. No ERG Rearrangement (32)

C. ERG over-expressed genes in Stickeler Breast Clinical Specimen

Legend: 1. No Treatment Control (32) 2. Epirubicin/Cyclophosphamide + Docetaxel Treatment (25)

B. ERG over-expressed genes in Grasso Prostate Carcinoma

Legend: 1. Prostate Gland (28) 2. Prostate Carcinoma (59)
