Hi Daniela, Chris and Narayani,

I am glad to inform you that our review article entitled:"mTOR Signaling in Cardiac Physiology and Disease" has been accepted for publication in Circulation Research. You have been acknowledged in the manuscript for your important help.

As you can read in the decision letter, all the persons that have been acknowledged by name in the paper should send their permission to be acknowledged by email to circulation.research@circresearch.com. Please, could you do this as soon as possible? Thank you very much.

Best,

Sebastiano
