Type of file: figure

Label: Figure S3

Filename: Supplemental_Figure_S3.jpg

A Venn diagram illustrating the overlap of markers between two sets, SNP70 and SNP50. The diagram consists of two overlapping circles. The left circle is orange and labeled "SNP70" at the bottom. The right circle is light blue and labeled "SNP50" at the bottom. The intersection of the two circles is shaded in a medium gray color and contains the text "45,703 shared markers".
