

Search

In this phase, you are asked to search for health information concerning all topics and issues about **Vaccination** using the search box below. You can submit your search queries and change them as many as you want in the search box below. This search tool is powered by Google. Results will be Google retrieved results. Please make sure to use only the search box below for issuing your search. You can explore the retrieved search results by clicking on any of them and reading the different webpages. Make sure to vote by either **liking** or **disliking** only the pages you visited and read. This phase lasts for 10 minutes. The timer is visible under Google's logo. Do not close or refresh this page. Only insert your search keywords in the search box and have a nice search!
