

CA of Genome Trinucleotide Composition for 1 K fragments

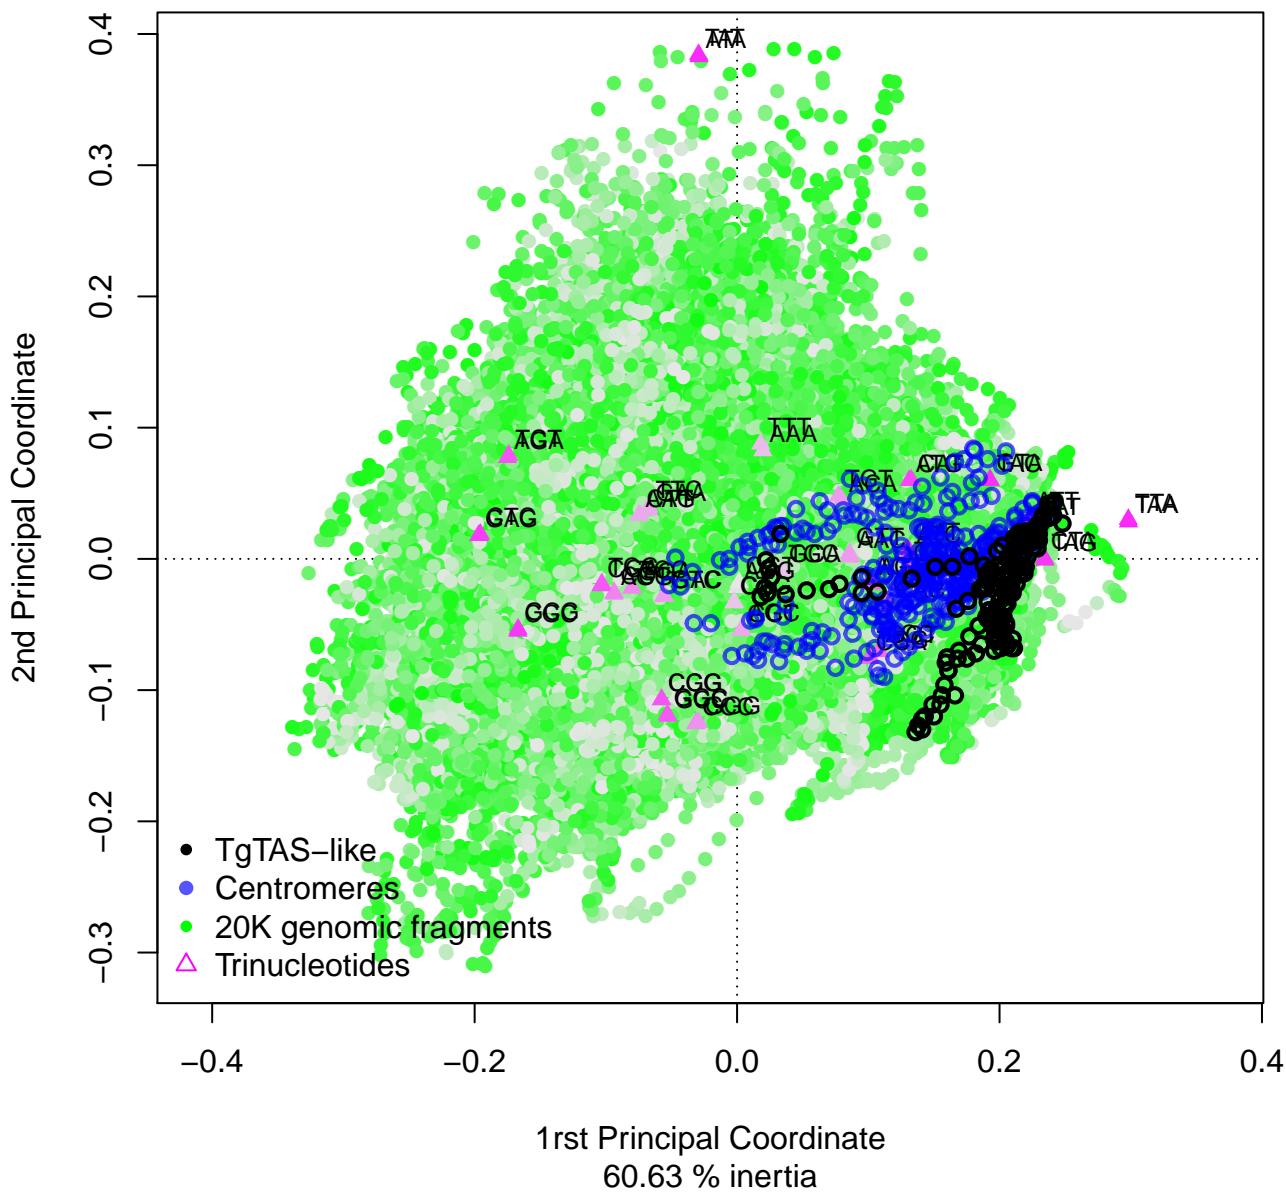

CA of Genome Trinucleotide Composition for 5 K fragments

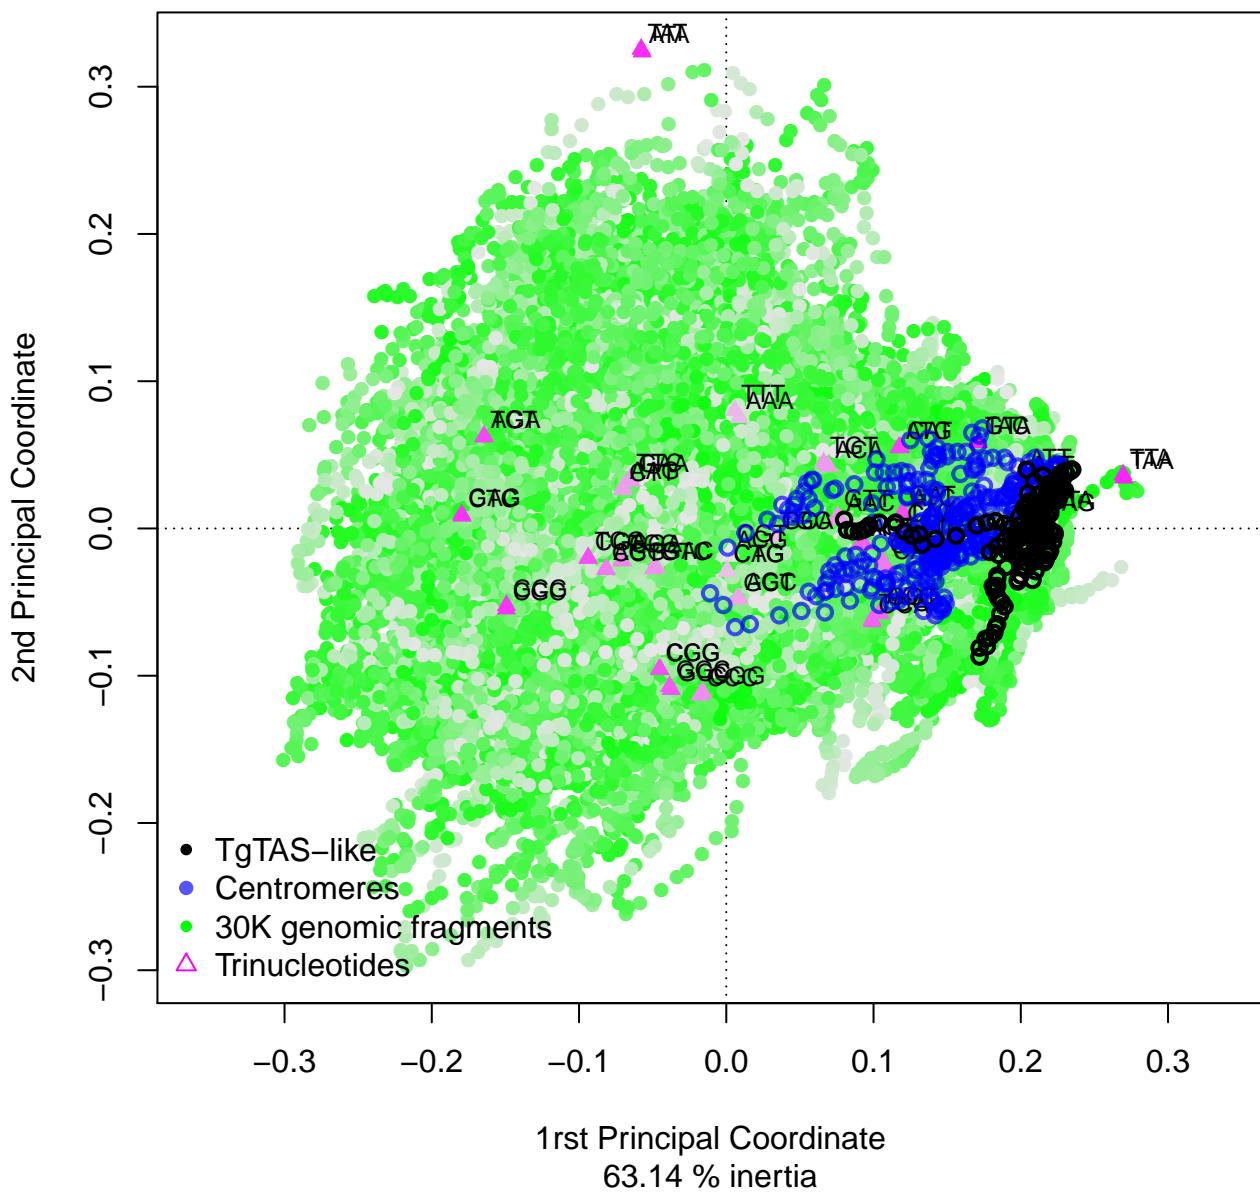

CA of Genome Trinucleotide Composition for 10 K fragments

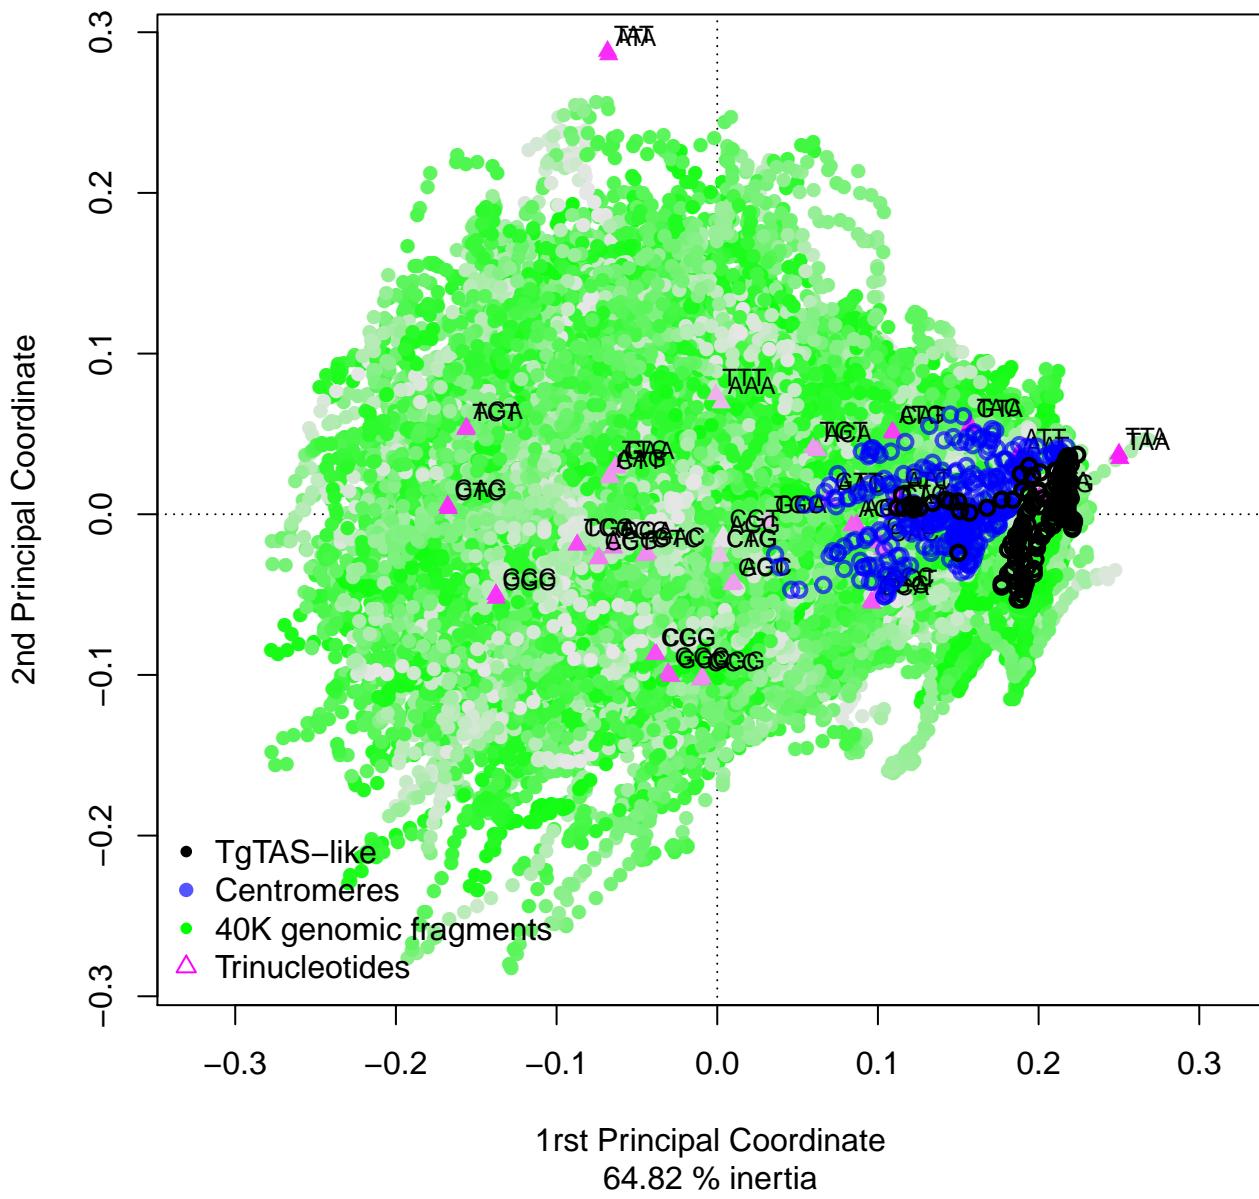

CA of Genome Trinucleotide Composition for 20 K fragments

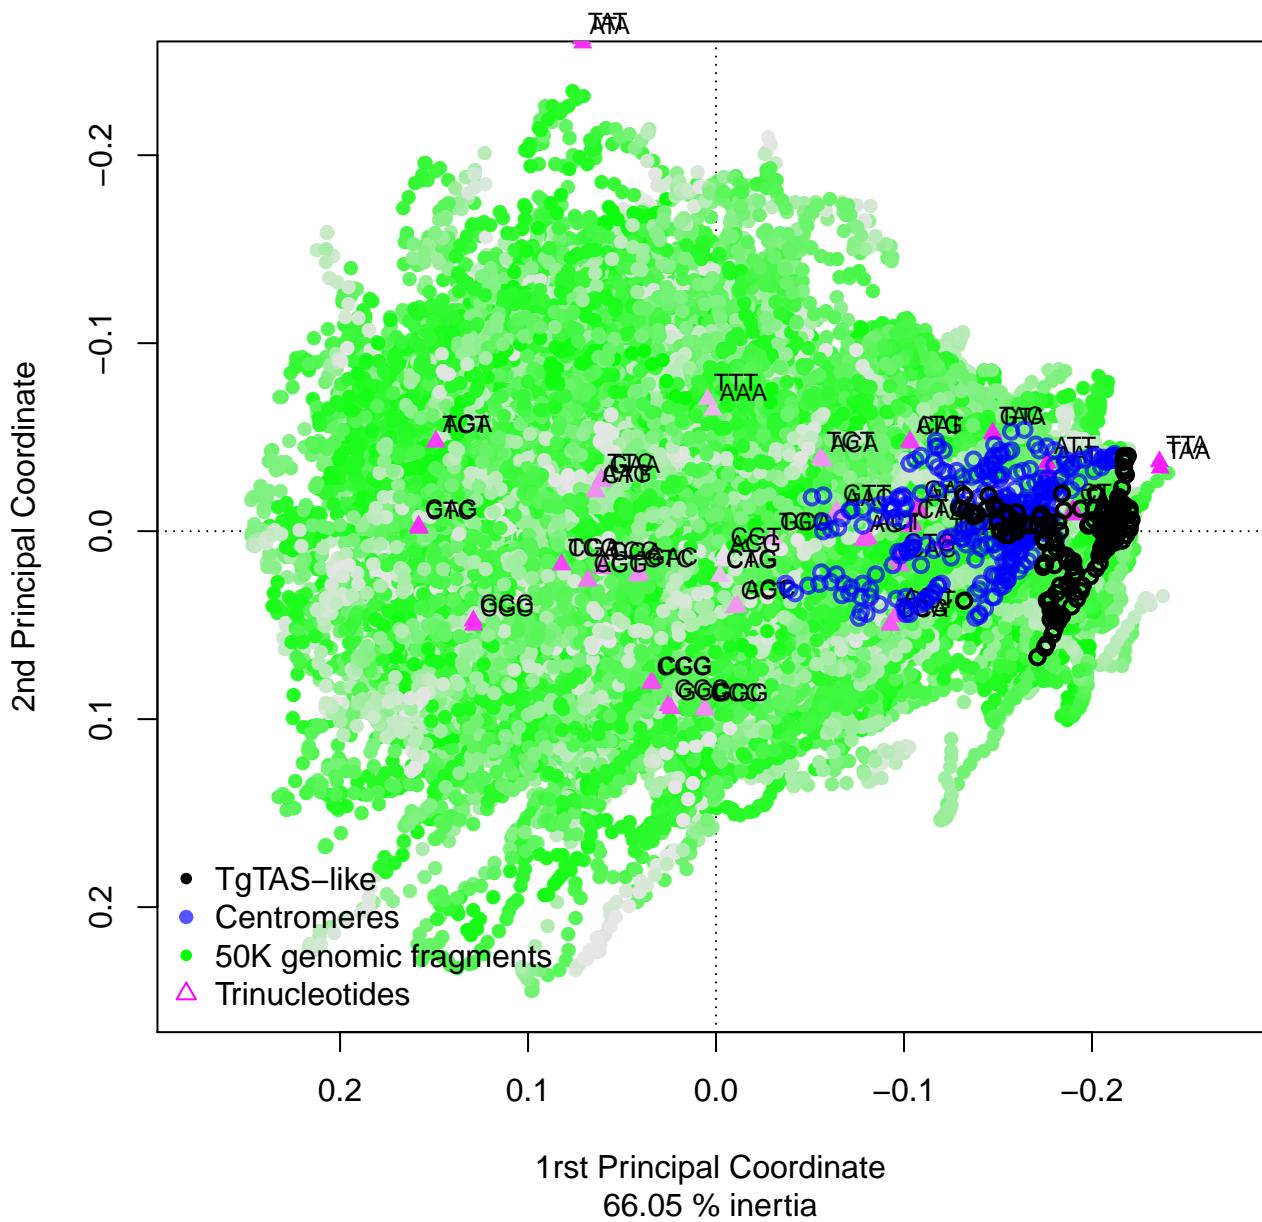

CA of Genome Trinucleotide Composition for 30 K fragments

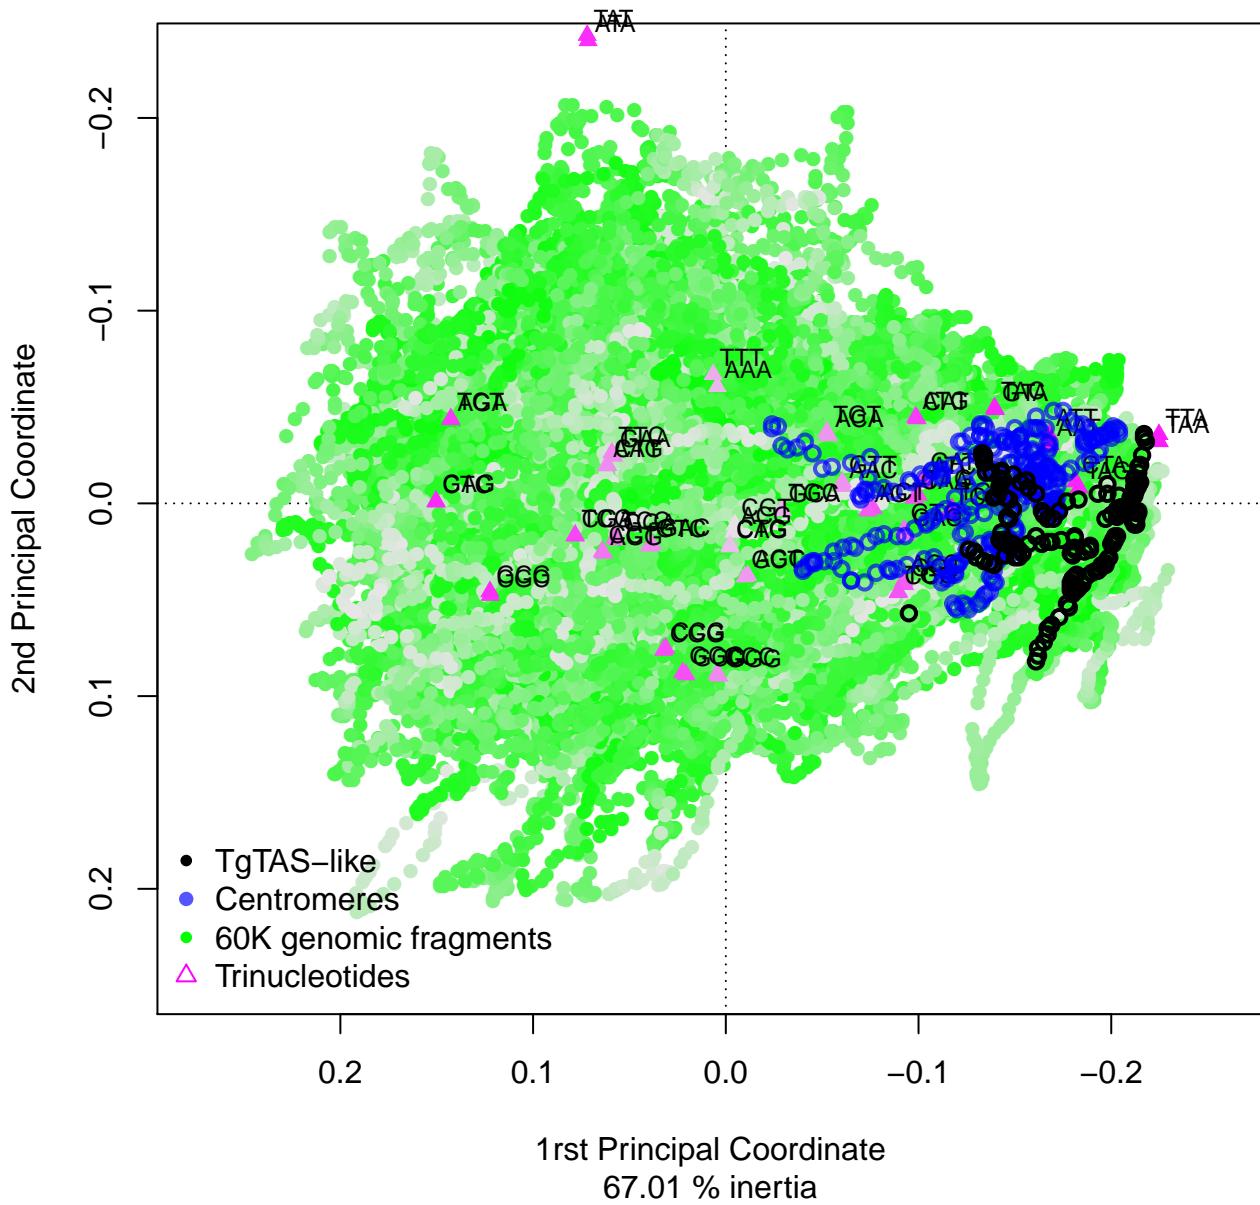

CA of Genome Trinucleotide Composition for 40 K fragments

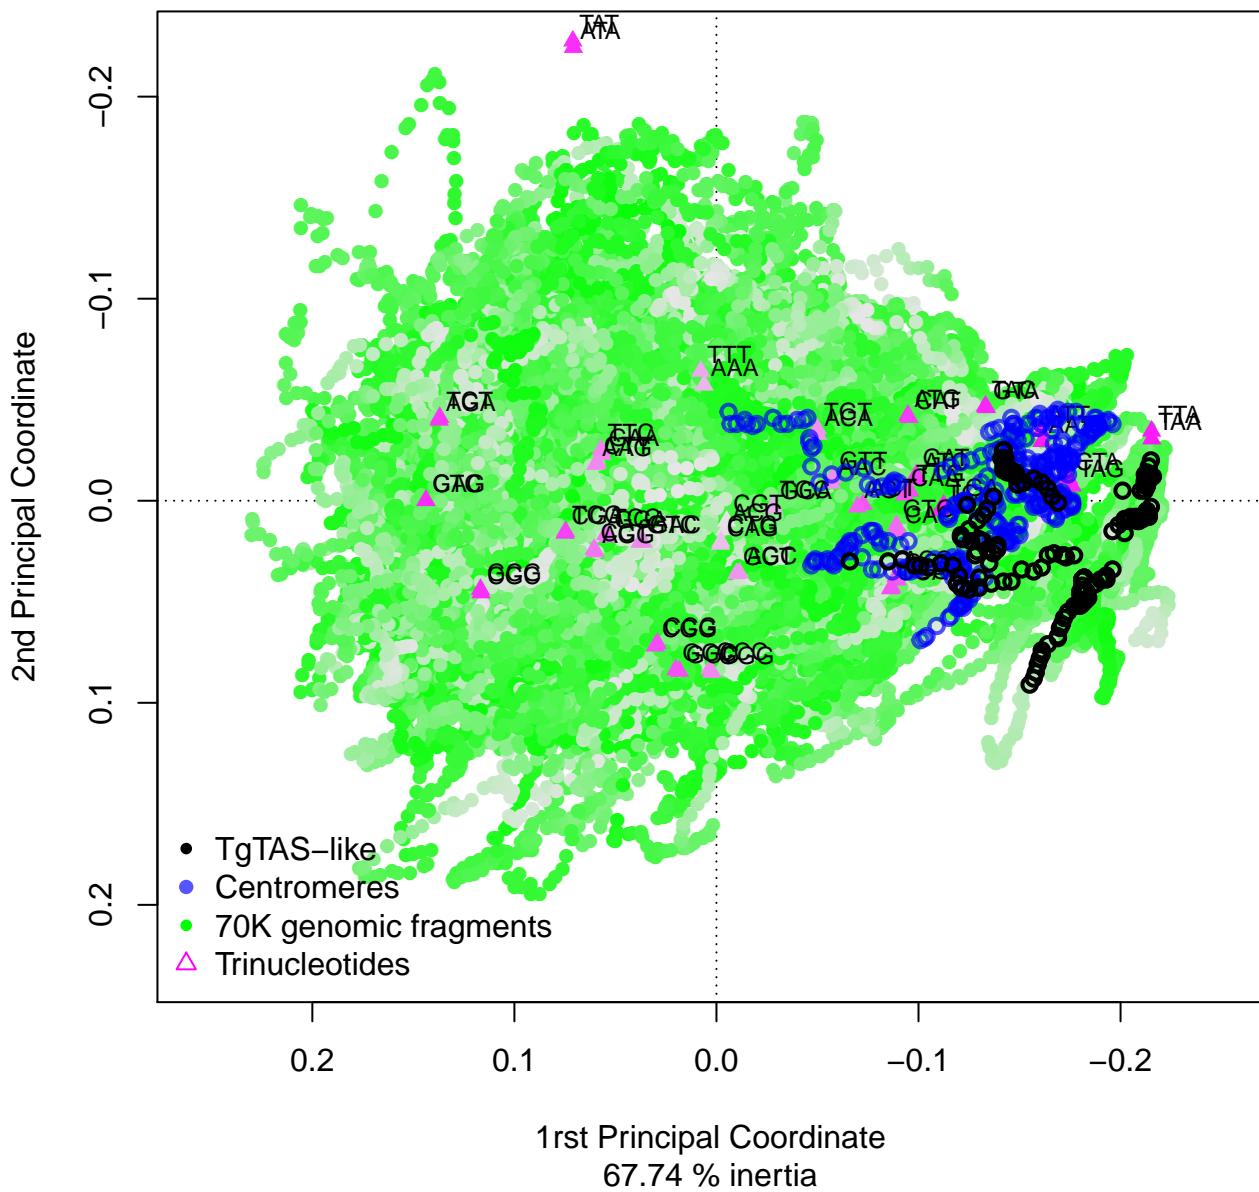

CA of Genome Trinucleotide Composition for 50 K fragments

CA of Genome Trinucleotide Composition for 60 K fragments

CA of Genome Trinucleotide Composition for 70 K fragments

CA of Genome Trinucleotide Composition for 80 K fragments
