

Toxicology
Conflict of Interest Policy

Manuscript number (if applicable):
Article Title: DEVELOPMENTAL CIGARETTE SMOKE
EXPOSURE: HIPPOCAMPUS PROTEOME AND
METABOLOME PROFILES IN LOW BIRTH WEIGHT
PIIDS

Author name: Rachel E. Neal, Jing Chen, Rekha
Jagadapillai, HyeJeong Jang, Guy Brock, Bassam
Abomoelak, Robert M. Greene, M. Michele Pisano

Declarations

Toxicology requires that all authors sign a declaration of conflicting interests. If you have nothing to declare in any of these categories then this should be stated.

Conflict of Interest

Please declare any financial or personal interests that might be potentially viewed to influence the work presented. Interests could include consultancies, honoraria, patent ownership or other. If there are none state 'there are none'.

Please state any competing interests

None

Funding Source

All sources of funding should be acknowledged and you should declare any extra funding you have received for academic research of this work. If there are none state 'there are none'.

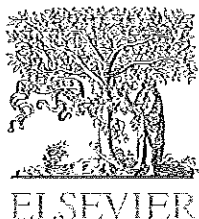

Please state any sources of funding for your research

Research in the present study was supported in part by a COBRE grant (P20 GM103453-10) from the National Institute of General Medical Sciences at the National Institutes of Health, by PHS grant NIH R21DA027466, and by the University of Louisville CREAM Center from NSF EPSCoR grant EPS-0447479.
