

Supplementary Figure S1

A

Homo sapiens
Bos taurus
Mus musculus
Gallus gallus
Xenopus laevis
Xenopus tropicalis
Salmo salar
Danio rerio
Oreochromis niloticus
Takifugu rubripes
Halocynthia roretzii
Ciona intestinalis
Tribolium castaneum
Danaus plexippus
Bombus terrestris
Megachile rotundata
Apis florea
Drosophila melanogaster
Drosophila sechellia
Drosophila erecta
Schizosaccharomyces pombe
Trichosporon asahii
Caenorhabditis elegans
Caenorhabditis remanei
Caenorhabditis brenneri
Caenorhabditis briggsae
Tetrahymena thermophila
Ichthyophthirius multifiliis
Paramecium tetraurelia
Plasmodium yoelii
Neospora caninum
Toxoplasma gondii
Saccharomyces cerevisiae
Schizosaccharomyces japonicus
Tetrapisispora phaffii
Candida albicans
Coccidioides immitis
Neurospora crassa
Cryptococcus gattii
Arabidopsis thaliana
Capsella rubella
Theobroma cacao
Cicer arietinum
Albugo laibachii
Orcinus orca
Thalassiosira pseudonana
Maylandia zebra
Taeniopygia guttata
Choanoflagellida Salpingoecidae
Dictyostelium fasciculatum
Trypanosoma cruzi
Trypanosoma brucei
