

Supplemental Table 1. The *PMSR* gene family in *Arabidopsis*. Mapping of the gene family in the *Arabidopsis* genome (www.arabidopsis.org; July 2002). The number of ESTs has been used as a measure of expression of the genes.

Gene	Chromosome	BACs	Expression
<i>PMSR1</i>	V	T2I1	9 ESTs
<i>PMSR2</i>	V	K11J9	1 EST
<i>PMSR3</i>	V	T2I1	2 ESTs
<i>PMSR4</i>	IV	F13M24, F24A6	12 ESTs
