

MM-A**MM-B****MM-E****MM-F****MM-I****MM-J****Figure S3. Predicted secondary structure for small RNAs of *M. marinum*.**

Predicted secondary structure and origin of several small RNAs of *M. marinum*, listed in Table 3.

The large black arrow and the white arrow indicate the 5' and 3' ends of the recovered small RNA, respectively. Small arrows indicate possible passenger strands, if detected.
