

**Table S2.**

---

| <b>ID</b>    | <b>Chromosome No.</b> | <b>Location</b>            |
|--------------|-----------------------|----------------------------|
| TG cloned R1 | 25                    | 5 M bp – 6Mbp intron       |
| TG cloned R2 | 25                    | 47.22Mbp - 47.23Mbp intron |
| TG cloned R3 | 2                     | 34.24-34.25Mbp intron      |
| TG cloned R5 | 2                     | 34.24-34.25Mbp intron      |
